SCOPE OF ADDENDUM

Questions and Answers (duplicate questions have been combined)

Is there an incumbent vendor and/or a current consultant/employee performing the duties for this position?	No.
Will phone and/or video interviews be acceptable for out of state candidates or does it have to be in person?	Any interviews will be in person.
In regards to RFO0115, which automation tool is needed for this opportunity?	Rational Functional Tester.
Can you also verify if resource will be doing both data and software testing and the % of each?	We do not anticipate any data and software testing requirement.
Are remote resources located in the US an option for these roles?	No. This position will need to be onsite.
What is the maximum hourly billing rate for the resource that we submit?	The maximum hourly billing rate for each vendor for each SITE category was determined at the time that each respective vendor proposed its maximum hourly rate(s) when applying to become a part of the SITE program. Please check your records to determine your maximum hourly rate for a Developer/Programmer under the SITE program, or contact the SITE program directly to inquire.
What will be the duration of the project and what is the estimated number of working hours?	The contract is a 1 year contract of 40 to 50 hours per week.
Will you award this to a single company or multiple companies?	There is only one position so it will be awarded to a single company.
